Programming in Python

Database Clients

Advanced Data Modeling

Database Engineer  
Capstone

Coding Interview  
Preparation

Feb 25, 2024

**Mahrous Gamal Mahrous Ali**

has successfully completed the online, non-credit Professional  
Certificate

## Meta Database Engineer

Learners gain the skills required to create, manage and manipulate databases, as well as industry-standard programming languages and software such as SQL, Python, and Django.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
